

FreePint 10th Birthday Quiz

Complete this quiz and see how far the information world has come in 10 short years.

We will conduct a drawing from completed quizzes returned to us by 20 December 2007 for the winner's choice of three prizes:

- 12-month corporate subscription to FUMSI, Free Pint Limited's newest publication for information practitioners
- 6-month single-site subscription to VIP Magazine
- 1 free FUMSI Report of your choice

Return your completed quiz by the end of business on 20 December for a chance to win.

- Free Pint Limited has been publishing since November 1997.

What will be the issue number for the December 2007 issue of the FreePint Newsletter, featuring our coverage of Online Information 2007?

 203 243 283 303
- In which issue of FreePint did the term 'Web 2.0' first appear?

 8th Jan 2004 28th Apr 2005 2nd Mar 2006 4th Jan 2007
- Name two people who have served as the editor of FreePint:
- List as many of the 8 sections of the FreePint Newsletter as you can:
- Which of the following topics has been covered most often in FreePint in the past 10 years?

 Copyright Freedom of Information China
 Distance Learning Knowledge Management Patents
- In what year did Jinfo spin off from FreePint Jobs to become its own site and publication?

 2005 2004 2003 2002 2001
- In the past 12 months, FreePint has used FUMSI as its editorial focus. What does FUMSI stand for?
- Several times a year, Pam Foster writes an article for the FreePint Newsletter, based on her work as the editor of another Free Pint Limited publication. Name that publication:

 Bonus points if you state how long that publication has been in existence:
- Free Pint Limited publishes ResourceShelf and DocuTicker, which are daily updates of web-based resources. Who are the two editors of these sites?

Thanks for helping us celebrate our 10th birthday!

It's been a grand first decade, and we look forward to many more years of exploring the information world.
